

How to Access your NSCC Webmail

From the Online Learning Website (<http://onlinelearning.nscc.ca>), click the “Login” button on the top bar. Click the 6th link down the sidebar (Outlook Web Mail Login).

You may have a window pop-up that warns that “You are about to view pages over a secure connection”. You must click “OK”.

The Web Mail login prompt appears. You must use your ID number (W1234567) and the password you created in the **Password Management Tool**. (<http://nscc.ca/pwreset>)
