

Course Overview

Welcome to (insert name of course)!

- What is the course about?
- Why take this course?

How is your course organized?

What will learners do?

What do you expect from your learners?

How much time learners need to commit to the course? Why?

Where do I start?

1. **Read** "Meet your facilitator." Note how I will **communicate** with you.
2. **Read** the course outline, paying close attention how you will be evaluated.
3. **Make note** of the start and due dates in the course calendar.
4. **Look at** the information in "Where do I go for help?"
